Target Market Determination:

COMPLETE PACKAGE VARIABLE HOME LOAN

Effective Date: 1 September 2023

The purpose of this Target Market Determination (TMD) is to describe:

- the type of customer the Complete Package Variable Home Loan is designed for
- how it is distributed
- when this document will be reviewed; and
- what information is required to be provided to help maintain the accuracy of this document.

This document is not a Product Disclosure Statement (PDS) and is not a description of full product terms and features. Products issued by Railways Credit Union trading as MOVE Bank. ABN 91 087 651 090 | AFSL/Australian credit licence 234536.

Who is this product designed for?

This product has been designed to suit the needs and objectives of consumers who need funds to purchase or refinance an owner occupied property with a variable rate loan that offers a 100% offset account. Key attributes of the Target Market are clients who:

- are seeking a loan to purchase, refinance, or build a residential property, including construction scenarios
- are aged 18 years or more and meet the credit assessment criteria for the product
- are willing and able to offer a first registered mortgage over real property
- want the flexibility to make uncapped additional repayments without penalty
- want a variable interest rate that moves with market conditions
- want to pay off their loan off by making repayments that reduce the interest and the principal over the term of the loan
- require a mortgage offset account
- will gain benefit from the package inclusions

Who is this product not suitable for?

This product is not suitable for consumers who:

- are seeking a loan for investment or commercial purposes
- require the certainty of a fixed interest rate
- require an interest only period, except for construction loans
- are under 18 years of age
- do not meet the credit assessment criteria for the product

Reviewing this document

Initial review date: 1 October 2022

Periodic reviews: Every 2 years after the initial and each subsequent review

We will also review this TMD if circumstances (called "review triggers") occur that would reasonably suggest that the TMD is no longer appropriate, such as:

- a significant dealing of the product to retail clients outside the target market occurs
- a significant number of complaints are received from customers in relation to their purchase or use of the product that reasonably suggests that the TMD is no longer appropriate
- a material change to the product or the terms and conditions of the product occurs which would cause the TMD to no longer be appropriate
- a material and relevant reduction in key product suitability metrics including:
 - rates of default or hardship
 - member satisfaction
 - product acceptance
 - financial performance
 - benefits to members
 - product value and affordability

MOVE Bank will review this TMD within 10 business days in the event of a review trigger occurring.

The Product Policy includes an obligation for regular consideration of whether there has been a review trigger following each distribution information report. That consideration is by reference to paragraphs 154 to 156 of RG 274.
