## Reviewing this document

Initial review date: 29 January 2024

Periodic reviews: Every 2 years after the initial and each subsequent review

We will also review this TMD if circumstances (called "review triggers") occur that would reasonably suggest that the TMD is no longer appropriate, such as:

- a significant dealing of the product to retail clients outside the target market occurs
- a significant number of complaints are received from customers in relation to their purchase or use of the product that reasonably suggests that the TMD is no longer appropriate
- a material change to the product or the terms and conditions of the product occurs which would cause the TMD to no longer be appropriate
- a material and relevant reduction in key product suitability metrics including:
  - rates of default or hardship
  - member satisfaction
  - product acceptance
  - financial performance
  - benefits to members
  - product value and affordability

MOVE Bank will review this TMD within 10 business days in the event of a review trigger occurring.

The Product Policy includes an obligation for regular consideration of whether there has been a review trigger following each distribution information report. That consideration is by reference to paragraphs 154 to 156 of RG 274.
